(a) Except as provided in paragraph (b) of this section, a recipient of an education award who is convicted under pertinent Federal or State law of the possession or sale of a controlled substance is not eligible to use his or her education award from the date of the conviction until the end of a specified time period, which is determined based on the type of conviction as follows:

(1) For conviction of the possession of a controlled substance, the ineligibility periods are—

(i) One year for a first conviction;

(ii) Two years for a second conviction; and

(iii) For a third or subsequent conviction, indefinitely, as determined by the Corporation according to the following factors—

(A) Type of controlled substance;

(B) Amount of controlled substance;

(C) Whether firearms or other dangerous weapons were involved in the offense;

45 CFR Ch. XXV (10–1–13 Edition)

(D) Nature and extent of any other criminal record;

(E) Nature and extent of any involvement in trafficking of controlled substances;

§ 2526.40 What is the time period during which an individual may use an education award?

(a) *General requirement.* Unless the Corporation approves an extension in

accordance with the requirements of paragraph (b) of this section—

(1) An individual may use an AmeriCorps education award or a Silver Scholar education award within seven years of the date on which the individual successfully completed a term of service in an approved AmeriCorps or Silver Scholar position;

(2) An individual may use a Summer of Service education award within ten years of the date on which the individual successfully completed a term of service in an approved Summer of Service position;

(3) A designated individual who receives a transferred education award in accordance with § 2530.10 may use the transferred education award within ten years of the date on which the individual who transferred the award successfully completed the term of service in an approved AmeriCorps or Silver Scholar position that is the basis of the award.

(b) *Extensions.* In order to receive an extension of the period of availability specified in paragraph (a) of this section for using an education award, an individual must apply to the Corporation for an extension prior to the end of that time period. The Corporation may grant an application for an extension under the following circumstances:

(1) If the Corporation determines that an individual was performing another term of service in an approved AmeriCorps, Summer of Service, or Silver Scholar position during the original period of availability, the Corporation may grant an extension for a time period that is equivalent to the time period during which the individual was performing the other term of service.

(2) If the Corporation determines that an individual was unavoidably prevented from using the education award during the original period of availability, the Corporation may grant an extension for a period of time that the Corporation deems appropriate. An individual who is ineligible to use an education award as a result of the individual's conviction of the possession or sale of a controlled substance is not considered to be unavoidably prevented from using the edu-

cation award for the purposes of this paragraph. In the case of a transferred award, an individual who is unable to use an education award as a result of being too young to enroll in an institution of higher education or other training establishment is not considered to be unavoidably prevented from using the education award.

[75 FR 51411, Aug. 20, 2010]

§ 2526.50 Is there a limit on the total amount of education awards an individual may receive?

(a) *General Limitation.* No individual may receive more than an amount equal to the aggregate value of two full-time education awards.

(b) *Calculation of the value of an education award.* For the purposes of this section, the *value* of an education award is equal to the actual amount of the education award received divided by the amount of a full-time education award in the year the AmeriCorps or Silver Scholar position to which the award is attributed was approved. Each award received will be considered to have a value between 0 and 1. Although the *amount* of a full-time award as defined in § 2527.10(a) may change, the *value* of a full-time award will always be equal to 1.

(c) *Calculation of aggregate value of awards received.* The aggregate value of awards received is equal to the sum of:

(1) The value of each education award received as a result of successful completion of an approved AmeriCorps position;

(2) The value of each partial education award received as a result of release from an approved AmeriCorps position for compelling personal circumstances;

(3) The value of each education award received as a result of successful completion of a term of service in an approved Silver Scholar position; and

(4) The value of any amount received as a transferred education award, except as provided in § 2530.60(c).

(d) *Determination of Receipt of Award.* For purposes of determining the aggregate value of education awards, an award is considered to be received at

§ 2526.55

the time it becomes available for an individual's use.

[75 FR 51411, Aug. 20, 2010]

§ 2526.55 What is the impact of the aggregate value of education awards received on an individual's ability to serve in subsequent terms of service?

The aggregate value of education awards an individual has received will not impact an individual's ability to serve in a subsequent term of service, but will impact the amount of the education award the individual may receive upon successful completion of that term of service. If the award amount offered for the term of service has a value that, when added to the aggregate value of awards previously received, would exceed 2, upon successful completion of the term of service, the individual will only receive that portion of the award having a value for which the individual is eligible pursuant to § 2527.10(g).

[75 FR 51412, Aug. 20, 2010]

§ 2526.60 May an individual receive an education award and related interest benefits from the National Service Trust as well as other loan cancellation benefits for the same service?

An individual may not receive an education award and related interest benefits from the National Service Trust for a term of service and have that same service credited toward repayment, discharge, or cancellation of other student loans, except an individual may credit the service toward the Public Service Loan Forgiveness Program, as provided under 34 CFR § 685.219.

[75 FR 51412, Aug. 20, 2010]

§ 2526.70 What are the effects of an erroneous certification of successful completion of a term of service?

(a) If the Corporation determines that the certification made by a national service program under § 2526.10(a)(2)(i), (2)(iii), or (2)(iv) is erroneous, the Corporation shall assess against the national service program a charge for the amount of any associated payment or potential payment from the National Service Trust, tak-

45 CFR Ch. XXV (10–1–13 Edition)

ing into consideration the full facts and circumstances surrounding the erroneous or incorrect certification.

(b) Nothing in this section shall prohibit the Corporation from taking any action authorized by law based upon any certification that is knowingly made in a false, materially misleading, or fraudulent manner.

(c) *Reduced part-time term of service.* Except as provided in paragraph (g), the education award for a reduced part-time term of service in an approved AmeriCorps position of fewer than 900 hours is:

(ii) The amount of the education award for a part-time term of service described in paragraph (b) of this section; or
